

Harvest Schedule

5680 State Route 26, Marietta, Ohio 45750
(740) 376-9170

Welcome to Grimm's Green Acres. We trust that this Harvest schedule will be a helpful tool that you will refer to before each visit with us, if necessary.

As always, harvest dates are subject to Mother Nature & the season's climate. All varieties remain available from their starting harvest date through the remaining season while supplies last.

Additionally, not all varieties are available for Pick-Your-Own due to either their location on the farm or other factors such as maturity and tree habitus. Pick-Your-Own is not available for Gala apples this year due to early ripening. Varieties available for Pick-Your-Own include Golden Delicious, Shizuka, Cameo, & Gold Rush. Pick-Your-Own is subject to weather & orchard conditions.

Harvest Timeframes:

- Opening Weekend - September 11th to 13th, 2009
- Varieties likely available: Gala, HoneyCrisp, Cortland

- Weekend of September 18, 2009
- Additional varieties likely available: Ruby Jon, JonaPrince, Golden Delicious

- Weekend of September 25, 2009
- Additional varieties likely available: JonaGold, Shizuka, Pinova, & Kate's Perfect Apple Cider!

- Weekend of October 2, 2009
- Additional varieties likely available: Empire, Enterprise (a MacIntosh variety)

- Weekend of October 9, 2009
- Additional variety likely available: Cameo

- Weekend of October 16, 2009
- Additional variety likely available: Granny Smith - only a few this year due to a light crop

- Weekend of October 23, 2009
- Additional variety likely available: GoldRush

We look forward to seeing you here on the farm. Have fun and drive safely.

Kate & Andy
